

# BC CAL KAL

BC CAL KAL Inland Port Development Corporation  
Port of Battle Creek - Foreign-Trade Zone 43

Your answers to a brief questionnaire can help us determine whether your business may take advantage of the cash flow benefits, reduction of U.S. Customs duty, or elimination of U.S. Customs duty in a Foreign-Trade Zone. Please take a few minutes to answer the following questions, and return it to me by email ([frantz@bcunlimited.org](mailto:frantz@bcunlimited.org)) or fax 269.962.8096.

Do you import to the United States?    Yes             No  (If no, skip to last question)

Yes    No

       If yes, are your imports to the United States subject to U.S. Customs duties?

If you import merchandise to the United States, do the following apply to your business?

Yes    No

       Imports are subject to damage or other conditions that would not pass a quality inspection by the U.S. customer?

       Imports are subject to quota in the U.S.?

       Imports are tested, displayed or sampled in the U.S.?

       Imports are used for research purposes in the U.S.?

       Imports are assembled, processed, refined, or altered in the U.S.?

       Imports are exported from the U.S. to other countries?

       Imports are sensitive to frequent inspections by U.S. Customs and Border Protection for improper labeling, classification, or valuation?

       Imports are relabeled or repackaged in the U.S.?

       Some imports must comply with such U.S. regulatory agencies as Food and Drug Administration, Environmental Protection Agency, the Department of Transportation or the Department of Agriculture. Does this apply to your import business?

Do you have a business partner in the United States which assembles, processes, or manufactures other products from your imports?    Yes             No

If so, please describe briefly:

Thank you for your time.

Sincerely,

Jan Frantz  
Executive Director
